

23 February 2021

## **ETHERNITY NETWORKS LTD**

("Ethernity" or the "Company")

### **Exercise of 30p Warrants**

Ethernity (AIM: ENET), a leading supplier of data processing offload solutions on programmable FPGA (field programmable gate array) hardware for accelerating telco/cloud networks, announces that it has received notice to exercise warrants, at 30p per share ("30p Warrants"), to subscribe for a total of 20,834 new ordinary shares of NIS 0.001 each in the Company ("Ordinary Shares").

Following this exercise, a total of 2,165,005 30p Warrants remain issued and unexercised.

Application has been made to the London Stock Exchange for 20,834 new Ordinary Shares to be admitted to trading on AIM ("Admission") and Admission is expected to occur on or around 26 February 2021. The new Ordinary Shares will, upon issue, rank *pari passu* with the existing Ordinary Shares in the Company.

Total voting rights

Following Admission, the Company's enlarged issued share capital will be 49,485,170 Ordinary Shares. The Company holds no Ordinary Shares in Treasury. This figure of 49,485,170 Ordinary Shares may be used by shareholders in the Company as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change in their interest in, the share capital of the Company under the FCA's Disclosure Guidance and Transparency Rules.
