Introduction

I am pleased to be writing to you with details of the forthcoming Extraordinary General Meeting of Ethernity Networks Ltd. to be held at the offices of the Company at 3rd Floor, Beit Golan, 1 Golan St., Corner HaNegev, Airport City 7019900, Israel at 11.00 a.m. Israel time (9.00 a.m. UK time) on 23 December 2024.

The formal notice of the Meeting is set out on page 8 of this document.

Please note that a hard copy Form of Proxy for use by Shareholders and a Form of Direction for use by Depositary Interest Holders have NOT been sent to you as the Company will be handling the appointment of proxies and the votes for the Meeting's Resolutions electronically (instructions follow below).

Actions to be taken in respect of the Meeting

Shareholders are encouraged to submit their voting instructions as soon as possible, even if they might intend to attend the EGM in person. See below for details with regard to voting instructions.

Shareholders can submit questions to the Board in advance of the EGM by emailing such questions to the Company CFO and Secretary, Tomer Assis, at tomera@ethernitynet.com by no later than 9.00 a.m. (UK time) / 11.00 a.m. (Israel time) on 16 December 2024. We will consider all questions received and endeavour to provide responses to them at the EGM to the extent appropriate and practicable.

Any Shareholder or proxy appointed by a Shareholder who wishes to attend the EGM by video conference is requested to contact Tomer Assis (details above) in order to obtain details of how to join the video conference. Such Shareholders or proxies are requested to provide in that email details of their registered shareholding or proxy appointment in order that their entitlement to attend may be verified.

Any Depositary Interest Holder who wishes to join the EGM by video conference is requested first to contact the Depositary at Link Market Services Trustees Limited, Central Square, 29 Wellington Street, Leeds, LS1 4DL or by email by using nominee.enquiries@linkgroup.co.uk in order to request a Letter of Representation no later than 9.00 a.m. (UK time) / 11.00 a.m. (Israel time) on 19 December 2024. Any such Depositary Interest Holder is then requested to contact Tomer Assis as set out above once they have received the Letter of Representation in order to obtain details of how to join the video conference. However, Depositary Interest Holders will not be able to vote at the Meeting.

Certificated Shareholders

If you are a Shareholder of the Company, you can find a Form of Proxy on the Company's website <https://ethernitynet.com/investors/> under the Regulatory Documents section. You may submit your proxy electronically using the Link Investor Centre at <https://investorcentre.linkgroup.co.uk/Login/Login>. Shareholders can use this service to vote or appoint

a proxy online by no later than 19 December 2024 at 9:00 a.m. UK time. Shareholders will need to use the unique personal identification Investor Code (“**IVC**”) printed on your share certificate. If you need help with voting online, please contact our Registrar, Link Group’s portal team on 0371 664 0391. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 – 17:30 (UK), Monday to Friday excluding public holidays in England and Wales. You may also contact our Registrar for help via email at shareholderenquiries@linkgroup.co.uk.

This will enable your vote to be counted at the Meeting in the event of your absence. The completion and submission of your vote ahead of time will not prevent you from attending the Meeting, or any adjournment of the Meeting by video conference.

Depository Interest Holders

If you are a holder of Depository Interests / CREST member you may appoint a proxy or proxies by utilising the CREST electronic proxy appointment service by using the procedures described in the CREST Manual (available from <https://www.euroclear.com>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited’s (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer’s agent (ID: RA10) by 18 December 2024 at 9:00 a.m. UK time. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.

In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

If you encounter technical issues using the CREST system, you may use the Form of Direction which is available on the Company’s website - <https://ethernitynet.com/investors/>. You must fully complete and have the form signed and email it to tomera@ethernitynet.com by 16 December 2024 at 9:00 a.m. UK time. This will enable your vote to be counted at the Meeting. The completion and submission of your vote will not prevent you from attending the Meeting, or any adjournment of the Meeting by video conference (subject to obtaining a valid Letter of Representation). However, you will not be able to vote at the Meeting.

Recommendation

The Directors believe that all of the proposals to be considered at the Meeting are in the best interests of the Company and its shareholders as a whole and, accordingly, recommend that you vote in favour of the Resolutions as they intend to do in respect of their own beneficial holdings, amounting, in aggregate, to 36,895,775 Ordinary Shares, representing approximately 4.09 per cent of the Existing Ordinary Shares.

Yours faithfully,

Yosi Albagli
Chairman

NOTICE OF EXTRAORDINARY GENERAL MEETING

Notice is hereby given that an extraordinary general meeting of Ethernity Networks Ltd. (the “**Company**”) will be held at 3rd Floor, Beit Golan, 1 Golan St., Corner HaNegev, Airport City 7019900, Israel, at 11.00 a.m. (Israel time) / 9.00 a.m. (UK time) on 23 December 2024, to consider and, if thought fit, pass the following resolutions:

Resolution 1. Increasing the authorised share capital of the Company

Under the Companies Law, the authorised share capital of the Company may only be increased with the consent of the Shareholders. This resolution increases the authorised share capital by NIS 600,000 to NIS 1,600,000 consisting of 1,600,000,000 Ordinary Shares, each having a nominal value of NIS 0.001, and amends the Company’s Articles of Association to reflect said increase in the authorised share capital. The Directors believe that the power provided by this resolution will maintain a desirable degree of flexibility and will support the Company’s needs for the foreseeable future.

Resolution 2. Disapplication of pre-emption rights on equity issues for cash

Article 9.2 of the Company’s Articles of Association requires that if the Company intends to issue Ordinary Shares or other Equity Securities (as such term is defined in the Company’s Articles of Association), subject to certain exceptions, it must first offer them to existing Shareholders, which may prove to be both costly and cumbersome.

This Resolution will enable the Directors to allot Ordinary Shares or other Equity Securities on a non-pre-emptive basis, up to an aggregate nominal value of NIS 400,000 (equivalent to 400,000,000 Ordinary Shares, which is equal to approximately 44% of the nominal value of the issued ordinary share capital of the Company as of 14 November 2024), or in connection with a rights issue or similar offer. The Directors believe that the authority provided by this Resolution may be necessary to fulfill the obligations of the structured investment deed executed on May 17, 2024, which has a defined contract end date of January 16, 2025. This authority will further provide desirable degree of flexibility for the Company

The disapplication shall not be in substitution and replacement of remaining existing authorities, and without prejudice to any allotment of Ordinary Shares or other Equity Securities or grants of rights already made, offered or agreed made pursuant to such authorities, including with respect to previously granted unexercised warrants, the Chairman’s Remuneration Contract and maintaining headroom for future equity issuances, should the Directors deem appropriate, without the requirement to hold a general meeting of shareholders.

Resolutions 3, 4 and 5. Approval of Options Awards to Directors

Following the approval and recommendation of the Company’s Remuneration Committee, the Board of Directors approved the grant of Options to the Company’s Executive Directors and the Company’s Chairman of the Board (in compliance with the Company’s compensation policy), and also to Company employees and subcontractors in order to encourage their retention, implement and deliver the business strategy and completing the product development, to enable the Company’s growth, success and a potential improvement in the share price whilst conserving cash.

Per applicable UK law and AIM Rules for Companies, as long as the Options are allocated per the Company’s compensation policy, there is no need for obtaining shareholder approval. However, under Israeli law, the grants of Options to the Company’s Executive Directors and to the Company’s Chairman are subject to approval of the shareholders.

Resolution 3. To approve the grant of 21,789,223 Options to David Levi under the ISOP, vesting over 3 years with an exercise price of £0.00247 per share.

Resolution 4. To approve the grant of 6,574,161 Options to Shavit Baruch under the ISOP, vesting over 3 years with an exercise price of £0.00247 per share.

Resolution 5. To approve the grant of 2,254,786 Options to Joseph Albagli under the ISOP, vesting over 3 years with an exercise price of £0.00247 per share.

The approval of each of Resolutions 1, 4 and 5 requires the affirmative vote of the majority of the Ordinary Shares present in person or represented by proxy and voting at the Extraordinary General Meeting on the applicable Resolution.

The approval of Resolution 2 requires the affirmative vote of three fourths of the Ordinary Shares present in person or represented by proxy and voting at the Extraordinary General Meeting on such Resolution.

The approval of Resolution 3 requires the affirmative vote of the majority of the Ordinary Shares present in person or represented by proxy and voting at the Extraordinary General Meeting on such Resolution, excluding abstentions, provided that either:

- such majority includes at least a majority of the Ordinary Shares voted by shareholders who are not controlling shareholders and do not have a personal interest in the Resolution; or
- the total number of Ordinary Shares of shareholders who are not controlling shareholders and who do not have a personal interest in the Resolution who voted against the Resolution does not exceed 2% of the outstanding voting shares of the Company.

The term “**controlling shareholder**” means a shareholder who has the ability to direct the activities of the Company, other than by virtue of being an Office Holder (as such term is defined in the Companies Law). A shareholder is presumed to be a controlling shareholder if the shareholder holds 50% or more of the voting rights in the Company or has the right to appoint the majority of the directors of the Company or its chief executive officer (referred to in the Companies Law as the general manager). In addition, the term controlling shareholder for the purposes of Resolution 3 includes any shareholder that holds 25% or more of the voting rights of the Company if no other shareholder holds more than 50% of the voting rights in the Company. As of the date hereof, the Company is not aware of any controlling shareholders. A “**personal interest**” of a shareholder is defined as: such shareholder’s personal interest in an act or a transaction of the Company, including (i) a personal interest of such shareholder’s relative, and (ii) a personal interest of a corporation in which such shareholder or any of his/her relatives serves as a director or the chief executive officer, owns at least five percent (5%) of its issued share capital or its voting rights or has the right to appoint a director or chief executive officer, but excluding a personal interest arising solely from the holding of shares in the Company. A personal interest includes the personal interest of either the proxy holder (whether or not the shareholder granting the proxy has a personal interest) or the shareholder granting the proxy, in each case, whether or not the proxy holder has discretion how to vote in the matter. The term “**relative**” means a shareholder’s spouse, sibling, parent, grandparent or descendant and the spouse’s sibling, parent, or descendant; and the spouse of each of the foregoing persons.

Under applicable Israeli law, in order for a vote on Resolution 3 to be counted, the voting shareholder must notify the Company whether he or she has a personal interest in the vote. Every shareholder and Depository Interest Holder voting by means of a Form of Proxy, Form of Direction or electronically, will be deemed to confirm that such shareholder or Depository Interest Holder, as applicable, is NOT a controlling shareholder and does NOT have a personal interest in Resolution 3. If you do have a personal interest in Resolution 3 (in which case your vote will only count for or against the ordinary majority, and not for or against a special tally described in the above bullets), please notify the Company CFO and Secretary, Tomer Assis, at tomera@ethernitynet.com.

By order of the Board

Tomer Assis
CFO and Secretary
